CREMM IN ACTION: MORE THAN MARKET VISIBILITY

BEING PART OF CREMM ISN'T JUST ABOUT EXPOSURE –
IT'S ABOUT COLLABORATION

CREMM membership gives you more than visibility– it gives you access. Need a general contractor, architect, or electrician? We know who to call. Our network is made of trusted professionals we've worked with, referred and relied on time and time again. Projects become smoother and smarter, because of it.

**“WE DON'T WASTE TIME FINDING VENDORS. WE
ALREADY KNOW THE BEST PEOPLE- BECAUSE
WE'RE IN CREMM WITH THEM.”**

Collaboration and trust, built through CREMM

REAL CREMM COLLABORATION EXAMPLES:

- Four board members recently teamed up on a joint project utilizing a design firm, GC, demountable walls vendor, and a stone vendor.
- Broker utilized the network to find a GC to help with project budgets that resulted in a new client project for the GC.
- Inventure design firm led the design of Partner's new office space.
- Multiple CREMM members regularly refer trusted vendors within the network.
